Immerse removes many of the barriers which make Bible reading difficult, paving the way for deep connection with God and others through the Scriptures. Removing the chapter and verse numbers and restoring the natural breaks and literary formats changes how you read. Nothing has been added or eliminated from the Bible text. Chapters and verses were added late in the Bible's history: chapters in the 13th century and verses in the 16th century. Nothing impacts spiritual growth more than spending time in Scripture. Using a different Bible would make the experience difficult, since the reading plan uses page numbers to indicate each day's reading. Hundreds of churches have already used Immerse to read through the Bible as a whole congregation, but it's also being used in schools, universities, prisons, sports teams, families, neighborhoods, and more. The alternative 16-week plan moves at a slower pace, allowing for more flexibility with busy schedules. With Immerse, you can curl up on the couch or stretch out at the park and simply read. Read it! Modern Bibles are full of features which inadvertently distract us, making it hard to get absorbed in the Bible's pages. Immerse removes many of the barriers that make Bible reading difficult and invites communities to become transformed together through the power of God's word. Click here to look inside. Spending time in Scripture is vital for spiritual growth, yet many people struggle with confusion and boredom when they open the Bible. What stood out to you this week? After decades of research and a deep commitment to helping people read and understand the Bible, the Institute for Bible Reading partnered with Tynedale House Publishers to create this groundbreaking Bible experience. Immerse is not available in other translations. Click below to see their stories. Immerse: The Reading Bible is specially crafted for a distraction-free reading experience, helping you dive in and get immersed in Scripture. By removing them, the Bible text gets presented in a format that's easier to read. You can also style every aspect of this content in the module Design settings and even apply custom CSS to this text in the module Advanced settings. There are no DVD's, workbooks, or study guides. Once they finish they're invited to start again, forming a habit of regularly journeying through large swaths of Scripture together. It is supported by a carefully thought-out reading plan, along with free additional resources (weekly videos, a custom audio edition, Family Guides, etc.) to enhance the experience. Immerse contains the full text of the New Living Translation with brief introductions to each book. More importantly, the format matters to the experience. The goal is to ignite a new passion for reading the Bible together in community in churches around the world. Letters look more like letters, poetry looks like poetry, and stories read like stories. But for an even richer experience, try reading with friends. Immerse isn't meant to be a one-off program. While they can be helpful for finding things in Scripture, they also chop up the text and make it harder to concentrate on the words themselves. Immerse is designed to take you through a major portion of the Bible (like the entire New Testament) in 8 weeks by reading 25-30 minutes per day, 5 days a week. However, there are free resources available on this website to enhance your experience. Churches, schools, and other communities are actively engaging Scripture together with Immerse. Your content goes here. It's geared to give whole churches an intentional plan to read the entire Bible together and to establish a regular rhythm of Bible reading in the life of the church. Orders of 10+ copies qualify for discounted rates. How might this change the way we live? 8 or 16-week reading plans take you through a large section of the Bible like the New Testament or the Torah Meet once a week for a free-flowing discussion about the text Wrestle with questions and celebrate 'aha!' moments together What stood out to you this week? Rather, it's meant to provide an operating system for ongoing immersion in Scripture. Did anything make you think differently about God? Less like a Bible study, more like a book club. By reading and discussing two Immerse volumes per year, communities can read through the entire Bible in three years. Immerse provides an easy, organic way for people in any context to read and discuss Scripture together. The NLT is regarded by many as the best reading translation available today. Immerse: The Bible Reading Experience is an invitation to a different kind of community interaction with the Bible. Your content goes here. It also uses the Holy Bible, New Living Translation, a clear and faithful rendering of God's word in contemporary English. It is more than offering a product-it's growing a movement. Group leaders don't have any prep work or teaching responsibility. You'll have a great experience using Immerse by yourself. It starts with a new kind of Bible. Nothing has been added or removed from the Bible text. Yes, it is simply the text of the Holy Bible, New Living Translation with brief introductions to each book. It will also be difficult to follow the text in discussion groups since people reference passages by page numbers and not chapter or verse. Click here to see the resources for Messiah. If you'd like to place a larger order for a church or school, contact Sergey Kulik at Tynedale House Publishers at sergeyulik@tyndale.com or 1-855-277-9400 Your content goes here. It is what the authors originally intended. If you're ready to try Immerse for yourself, click here to pick out your books and place an order. Easily read through the entire Bible in 2-3 years Notice significant increases in Bible literacy and fluency Watch communities draw closer through deep, authentic conversations around Scripture Simply stated, Immerse is much more than just a Reading Bible. Yes. Presenting the text in a more familiar format, like other books we are accustomed to reading, encourages reading books as whole books, letters as entire letters, and poetry as poetry. Was there anything confusing or troubling? Edit or remove this text inline or in the module Content settings. Weekly videos, an audio edition, pastor and group host guides, and family guides are all available for you to use as you see fit. Immerse is intentionally uncomplicated. 6 volumes available in print, e-reader, large print, and audio Chapters, verses, and all other modern additives have been removed Beautiful single-column text displays the natural literary genres of each book Yes, it is simply the text of the Holy Bible, New Living Translation with brief introductions to each book. The only alterations have been to remove all of the modern additives of chapters, verses, notes, etc. ECPA Christian Book Awards Does Bible reading ever feel like a chore?

Get the latest music news, watch video clips from music shows, events, and exclusive performances from your favorite artists. Discover new music on MTV. Natural family planning (NFP) comprises the family planning methods approved by the Catholic Church and some Protestant denominations for both achieving and postponing or avoiding pregnancy. In accordance with the Church's teachings regarding sexual behavior, NFP excludes the use of other methods of birth control, which it refers to as "artificial contraception". While addictive and a breath of fresh air, it was noticeable that the style only suited drill beats. In "B.I.B.L.E.," his verses are full and have more intent than just ... Freedom in Christ - It is for freedom that Christ has set us free. Stand firm, then, and do not let yourselves be burdened again by a yoke of slavery. Mark my words! I, Paul, tell you that if you let yourselves be circumcised, Christ will be of no value to you at all. Again I declare to every man who lets himself be circumcised that he is obligated to obey the whole law. You who are trying ... They actually jailed eight men, including Caleb and Joshua, and even the local official who gave us the approval. And, the officials required a payment of \$200 each to get all of them out, or \$1,600. Bam! We had to pay the entire amount, and all the men were set free. And the one who gave the approval paid the highest price of being fired. Natural family planning (NFP) comprises the family planning methods approved by the Catholic Church and some Protestant denominations for both achieving and postponing or avoiding pregnancy. In accordance with the Church's teachings regarding sexual behavior, NFP excludes the use of other methods of birth control, which it refers to as "artificial contraception".
